A MUSICAL COLLECTION FROM CIRQUE DU SOLEIL (PIANO, VOCAL, CHORDS) FROM ALFRED PDF

Cirque du Soleil, French for "Circus of the Sun," is a unique entertainment venture that has been thrilling audiences since its inception by two street performers over 20 years ago. Acts include a unique combination of individual storylines, dance and opera performances, contortionists, jugglers, trapeze artists and many other talented performers, all set to the tune of live music. While performances do not feature the animals typically found in a regular circus, the modern style of Cirque du Soleil has earned it recognition as one of the world's best circuses for their use of extreme creativity, talented performers, and their ability to constantly evolve shows to maintain their enthralling nature.

Alfred now introduces the music to some of Cirque du Soleil's most popular songs, derived from a variety of show soundtracks. Songs come complete with lyrics, melody line, and chord changes with professionally arranged piano accompaniment.

Missed Opportunities

By MSam

Being an enormous fan of Cirque Du Soleil and a musician, it was only a matter of time before I picked up a Cirque music book. Fans of Cirque have always been searching for sheet music, and this book has given exactly what they have been looking for. Collection contains 20 Cirque songs, arranged for piano and vocals, accompanied by optional guitar chords. The book contains a total of 120 pages that contain well written scores and, a joy to any singers, lyrics written in 'Cirquish' from the songs.

The most interesting thing about this music book is the arrangements that have been made for the piano. Cirque songs have a certain charm about them which is hard to re-create, so the concept of merging all parts into the piano was ingenious and risky at the same time. The results are mixed, ranging from the wonderfully done to the frighteningly bad.

Stand-outs for this book include 'O', which remains true to the original track, 'Love Dance', a beautiful arrangement using the full scale of the piano and the 'Triangle Tango', the seductive tango from Corteo (Violinists need not worry, as the violin part can be followed through the piano). Nice arrangements have also been done of 'Kumbalawe', 'Pokinoi' and 'Liama', and singers will be delighted with the inclusion of 'If I Could Reach Your Heart', 'Mio Bello Bello Amore' and 'Let Me Fall'. The book also contains a piece called 'L'Innocent' which is from Cirque's latest touring show called Kooza.

Unfortunatley, this book has a lot of missed opportunities and it's quite annoying. Included in this book is a memorable tango styled song called 'Querer'. The song alone could drive you crazy, but Alfred Publishing adds to the annoyance, by adding in 'Alone', which is a cover of Querer included in Cirque Du Soleil's 2005 production of Delirium, thus making them sound near identical. Another problem is the atrocious arrangements of 'Ombra' and 'Time Flies', which are just a bore to listen to and even worse to perform. These pieces could have easily been tossed aside and replaced with more pleasant, piano and vocal themed songs. No songs were included from Cirque Du Soleil's motion picture soundtrack of Alegria (including Let Love Live, Child in His Eyes and Love Leaves Someone Behind), and no pieces were included from Varekai (Rain One would have been perfect for this book).

All in all, the book is definitely a worthy buy. It is very fair price to pay and a must have for any Cirque fans as well as music fans.

Couldn't be happier!

By Jordan Buster

I'm a long time Cirque du Soleil fan, and I plan on applying for a singing job with them in the future! It's so cool to be able to see the sheet music to their songs insted of learning it by ear! The book was in fabulous condition too!
