Caution: This Is Strictly For ESL Students

By Robert C. Dean

This title is really misrepresented as being for general use. In fact, it is strictly for those who are well along in the process of learning to speak and understand English.

Best ESL Listening Activities Book

By Catherine Greene

I have worked with hundreds of books and materials teaching EFL/ESL in Asia and the U.S., and this book has the some best listening activities out of everything else that I have seen. One of my favorite features is the that the cassette uses a great variety of voices and accents.
