MONDIALE!

By Gaspare

Affascinante la prima parte, con un raffinato sense of humour...

La seconda è di piglio cartesiano, ma è un ottimo paio.

Un ottimo regalo per tanta gente: per chi gli stupidi li soffre e ha bisogno di sdrammatizzare, oppure per sottoporre la realtà a chi non si desidera insultare apertamente... oppure ancora, semplicemente educativo per chi crescendo ha le idee confuse.

In altre parole: per chi non è stupido e per chi lo è, o per chi rischia di diventarlo... particolarmente buona, ed utile lettura per tutti!

Inane humour

By Americus

It is a weak imitation of the 1957 Parkinson's Law which humourously addressed a serious problem. It was obvious written for anemic academic colleagues who obviously ignored Parkinson's style and satirical mathematical approach. It all made for a merry tea party. As far as english humour is concerned, my countryman Mr. Cipolla better read "Trhree men in a boat".The result is a boring pretentious book.
