BARGAIN WITH THE BEAST: 2 (BREATHLESSLY EVER AFTER) BY NAIMA SIMONE PDF

Breathlessly Ever After, Book 2

In a last-ditch attempt to save her beloved community center, Gwendolyn Sinclair corners childhood friend Xavier St. James, brother of her dead fiancé...and the man who secretly owns her heart. Surely his wealth and contacts can save the run-down building from ruin. The arrangement he proposes confirms what she's long suspected. He's become a beast, and he offers a beast's bargain, one that offends her pride even as it stirs her every desire and titillating fantasy—submit her body to his whim for seven days and the community center remains open.

Losing both his father and brother has left Xavier scarred in more ways than one, but forbidden lust overrules conscience when Gwendolyn appears, asking for help. He's craved her for years. At last he'll discover if the passion in her eyes blazes just as hot between the sheets. Her fiery surrender leaves him hungering for more, but their bargain is only for seven days and, ultimately, she could never truly love a beast.

A Romantica® contemporary erotic romance from Ellora's Cave

Kind of short for the price

By EThom

I was looking for more. I wanted more history, I wanted to know happens to the center. Why did the mother send the ex?

A nice escape from reality

By Romancing the Book

Originally posted at Romancing the Book

In order to receive the grant funding she needs to save the community center, Gwendolyn Sinclair agrees to spend a week with Xavier St. James. Author Naima Simone introduces an adult version of a beloved fairy

tale in *Bargain With the Beast*. Above all, it is a love story featuring a proud, wounded hero whose emotional scars are directly tied to his physical scars.

Paired with Xavier is Gwendolyn, a strong female character who fights to reach the man deep inside the outer layer of protection. Xavier hides behind power and money, which makes him incredibly appealing as a fix-up project for Gwen.

The story line integrates plenty of humor as the author explores the limits of a relationship between the two characters. What starts as a business deal gets rather complicated when feelings become involved.

Because the two characters have such a strong connection, their encounters are spicy hot. Although some of the descriptions caused me to have some doubts (comparing a portion of the male anatomy to a plum), I found the writing style to be engaging.

A familiar story line coupled with adult themes makes this appealing for any reader needing a short escape from reality.

Xavier Can Be My Beast!

By Shirley13

Naima Simone can remake a fairy tale like no other! This is a modern day *Beauty and the Beast*. Xavier and Gwen were childhood friends and grew up together with Xavier's younger brother Josh.

After a series of tragedies, Josh dying and then years later an accident killing their father and disfiguring Xavier, they have grown apart.

Xavier is bitter and resentful and walls himself off. Gwen is trying to save their beloved community center they all met at as childhood friends. When she approaches him and asks for a donation, he offers her a proposition that she grudgingly accepts.

Can this beauty tame this beast? Can their love conquer all? Love this book and this adaptation of one of my favorite timeless tales!
