As guide that we will certainly offer here, *Bride Of The Midnight King: A Grimm Blood Tale (Tales Of The Twelve Realms Book 1) By Kat Parrish*

The factor of why you can obtain and also get this *Bride Of The Midnight King: A Grimm Blood Tale (Tales Of The Twelve Realms Book 1) By Kat Parrish* earlier is that this is the book in soft documents type. You can read the books *Bride Of The Midnight King: A Grimm Blood Tale (Tales Of The Twelve Realms Book 1) By Kat Parrish* wherever you desire also you remain in the bus, office, home, and also various other areas. However, you may not have to move or bring the book *Bride Of The Midnight King: A Grimm Blood Tale (Tales Of The Twelve Realms Book 1) By Kat Parrish* print any place you go. So, you will not have heavier bag to carry. This is why your selection making better principle of reading *Bride Of The Midnight King: A Grimm Blood Tale (Tales Of The Twelve Realms Book 1) By Kat Parrish* is actually handy from this case.

Knowing the means ways to get this book *Bride Of The Midnight King: A Grimm Blood Tale (Tales Of The Twelve Realms Book 1) By Kat Parrish* is likewise useful. You have actually remained in ideal site to begin getting this details. Get the *Bride Of The Midnight King: A Grimm Blood Tale (Tales Of The Twelve Realms Book 1) By Kat Parrish* link that we supply here and check out the web link. You can order guide *Bride Of The Midnight King: A Grimm Blood Tale (Tales Of The Twelve Realms Book 1) By Kat Parrish* or get it as quickly as possible. You could swiftly download this [Bride Of The Midnight King: A Grimm Blood Tale \(Tales Of The Twelve Realms Book 1\) By Kat Parrish](#) after obtaining offer. So, when you need guide swiftly, you could directly obtain it. It's so easy therefore fats, isn't it? You have to choose to this way.

# **BRIDE OF THE MIDNIGHT KING: A GRIMM BLOOD TALE (TALES OF THE TWELVE REALMS BOOK 1) BY KAT PARRISH PDF**

Bride of the Midnight King is a fairy tale fantasy with a dash of the paranormal. This is a novella set in a fabulous fairy tale land where humans and vampires co-exist. Bride of the Midnight King is based on one of the most beloved fairy tales of all time, melding the romantic/classic Cinderella story and a richly textured vampire mythology to create something unique and fantastical.

And like all the best fairy tales, the story begins with ...

Once upon a time...

There was a land called Eindar, and those who lived there called it “home,” but those who lived beyond its borders called it “The Divided Kingdom” because it was a place where humans and vampires shared the land but divided the day’s hours into sunlight and shadow, and there were only a few whose lives were lived in both realms.

Eindar had once been ruled by a royal house of humans, but that era ended when the last human king—Lorant the Third—took a vampire wife and died, leaving the kingdom in her care. Queen Isix abdicated in favor of her son Adraxus, and the sons of his line had occupied the throne of the Shadow Palace ever since.

By custom, the vampire kings choose human consorts to rule by their side. A king chose his consort for any number of reasons, but rarely was love involved. Or so it was until the last consort of King Idrax died, leaving behind a most unusual bequest. Lady Judita’s final gift to the kingdom and the king she’d loved was a complete surprise, and it changed ...everything.

Bride of the Midnight King is a novella (30K), the first in a series of stories inspired by the classic fairy tales retold by the Brothers Grimm in which “Cinderella” takes place in a world where vampires and humans coexist.

The sequel: DAUGHTER OF THE MIDNIGHT KING is now available!

Inventive, unusual take on the Cinderella story

By Miriel12

I'll admit that I'm generally not a huge reader of vampire tales, but the cover and blurb drew me in, and I realized this wasn't your standard vamp story at all. In this fantasy world, vampires and humans coexist,

although it's clear the vampires are the "betters" in this society. The vampire king always takes a human wife, however, because it's difficult to procreate otherwise.

Yala is a human girl, slaving in her stepmother's gaming house and dreaming of how she might make her escape from her days of drudgery. When the vampire king's late wife leaves behind a letter stating her dying wish that her husband choose his next wife from the attendees at a great ball, Yala might finally have a chance to find someone who truly loves her.

As with most fairytale retellings, it's all in how it's done, and Kat Parrish creates a lush a fully realized world that has vampires and humans living together, and sometimes even falling in love. While this story is complete in itself, it also leaves matters open for more stories about King Idrix and Yala, something I'm very much looking forward to!

A fun read!

By Sara Q

I haven't read anything by this author before, but I was drawn in by the cover and the blurb. Then I couldn't stop reading- this is one of those books I had a hard time putting down. The heroine Yala is more sensible and clever than the typical YA protagonists. Her sense of humor made her very easy to root for. I loved the romantic tension between Yala and the king. The side characters, particularly the king's father and his cousin, were very enjoyable. I have a weakness for fractured fairy tales- this take on Cinderella was fresh and absorbing. The "vampireness" wasn't emphasized as much as the two-natured characteristics of the society- more like a fantasy than a paranormal romance. Anyway, this book is going into my "re-read" many times pile until the next one comes out!

Um hello Disney?

By tp011

I did not enjoy this story, I didn't even finish it. For me that is very unusual. This is essentially a vampire Cinderella tale with a few minor twists and differences. I had to stop at 71% not only because it's redundant, but also because the author is too wordy.....sometimes I felt there was more to the chapter, just for the sake of elongating the story. I didn't like it, but I'm sure there are plenty who will, it's free so.....if you think you're even a little interested what have you got to lose.
