Painting With Watercolor As Applies to Birds

By Amazon Customer

Can't wait to get into this one, just what I need right now.

Love it!

By Janet Klingaman

The book arrived in excellent condition; better than described. The information and instructions are clear, useful, and have given me what I need to improve my watercolor painting of birds. A beautiful book which would be helpful for beginners and for intermediate level painters. The publisher should consider a new edition or reissue.
