Must Read

By Nicki Ervin

Omg I am enjoyed this book. I'm team Keys and Kane. I hope he doesn't mess things up. Cash really needs to get it together and move on. He never wanted to do right and I don't believe he ever will. He lost a good woman when Keys left. Tay is most definitely more a sister then she is a friend. She is always there when Keys needed her. I loved the bond they had. Mia is one sneaky chick and I don't like her. I hope and pray that Keys is OK! I can't wait until book two drops.

Team Kane

By Jerrena Brown

Cash is a cocky and insecure man. He wants to have his cake and eat it too. Keys is a good woman with a good heart. Once she wised up about Cash she started living again. Her best friend Tay is a trip and half. Kane is like breath of fresh air for Keys. He is a thug and gentleman rolled into one.

Take a ride with Cash (with all his side chicks) and Keys on the journey of their relationship.
