"This book gives a well thought-out perspective on clients and staff; and simplifies the information for each student to understand the material presented"

--Gabriel Kovnator

"[Strengths include] readability, organization, and practitioner focus"

--Patricia L. Donze, J.D. Ph.D.

"Very thorough and comprehensive, [Introduction to Corrections] provides a good balance between the big picture policy and societal issues with the more specific things those working in corrections on a day to day basis are faced with."

--David E. Olson, Ph.D.

"Clearly the greatest strength of this text is that the author has been and, I get the sense still is, a correctional practitioner that is nevertheless well schooled in the social science literature."

--Joseph V. Williams

"[Strengths include] breadth of information, clarity of text, and ancillary resources for students"

--Jane C. Daquin, M.S

"The text presented accurate information. In addition, it possesses different areas that other text are missing such as "What Would You Do" section."

--James R. Jones, Ph.D.

"The book is well written with the focus from a practical perspective. For the most part, the presentation of the chapters was very nice (pictures, etc.) I actually liked the interactive book and am considering this as an idea to build an online course because the book contains all the extras that could enhance the online experience"
