This is my favorite children's book of all time

By Amazon Customer

This is my favorite children's book of all time. I read it to our son every night, and now I give it as a gift at every baby shower. There can be nothing more important in our children's lives than reassuring them we will always love them, always be there for them, always be on their side. And as much as WE love them, it does not compare with how much GOD loves them. So powerful and positive!
