Frida in Miniature

By Dorian

Lovely little book. I have read Hayden Herrera's biography of Frida Kahlo (the best) and also have 'Self Portrait in a Velvet Dress'. I purchased this small but mighty book based on the illustrations alone (I am a graphic artist) - though found it a pretty concise biography as well. Frida-philes will be happy to add this to their collection.

Great book for teens

By Alicia Cervesa

Beautiful illustrations, great book for pre- teens, teens interested in art.
