MASTERING KUNDALINI AND BEYOND: A PRACTICAL COURSEWORK GUIDE FOR USE WITH THE SCHOOL OF DHVAJA YOGA BY ANTONIO MUSSO PDF

Mastering Kundalini is a practical coursework book and guide based on effective practices from the school of Dhvaja Yoga. It is intended for specific school use under the guidance of a teacher of Dhvaja Yoga. Practitioners will find a step by step guide to various exercises in preparation for, and following, kundalini. The practices are intended to be for much more than kundalini, and will aid in the understanding of the physiology of man's possible evolution, and the development of higher-being-bodies. This book should be purchased with an audio compact disc under the same title. Visit us at www.kundaliniquicksilver.com

Judicial introduction to the topic of kundalini awakening.

By Daniel T.O. Donovan

Excellent written judicial introduction to the topic of kundalini awakening. The transformative nature of kundalini awakening is not ignored and cautionary advice is offered to pay heed to the force of the serpent power. Appropriate lifestyle responses to the awakening of the kundalini power is taken as a given and the author deals with the topic seriously in exploring the field of enquiry relating to kundalini awakening. It is an interesting book that appeals to those interested in the Enneagram and Musso's approach to spirituality is justly intellectual whereas many have bypassed this faculty. The book is strong on providing an intellectual basis to individual personal growth aligned with the experience of a kundalini awakening.

One of the few authentic western books on Kundalini

By Amazon Customer

Often western books on Kundalini and chakras are nee fluff and the Indian books are filled with very little practical information and more coming from a philosophical standpoint . This is one of the few books that will take you from bottom to the top on the subject of actually practically working with the Chakras. I would say this book is mandatory reading for anyone who's serious about their spiritual evolution regardless of what tradition or path they follow. prepare to reread this over and over this is a very informative text that will require serious study as author has put so much really good information to go over
