Great Textbook

By Michael Adrian

The book was exactly what I needed for my class and at a great price, shipping included. The book covers a series of topics, allowing the reader to eventually take full control of their finances. The only voiced concern thus far regarding the textbook from my classmates and I has been the dating of the book. Laws and options are always changing, especially tax laws. The textbook goes over taxes and other areas with forms and statistics dated between 2005 and 2008. As long as the reader is willing to look up recent changes in the dated areas, all will be well and much will be learned.

Great

By Lee

I got this for one of my classes

The item was ON time and was in described condition! It is a easy read and interesting.

Personal Finance book

By Deborah Kuebler

Great book; needed for college class; just as advertised.
