It could be not exactly sure to enjoy reviewing this e-book Red Zone: The San Francisco Dog Mauling Case By Aphrodite Jones, because you have great deals of work. However, with this soft file, you can take pleasure in reading in the downtime also in the gaps of your works in office.

RED ZONE: THE SAN FRANCISCO DOG MAULING CASE BY APHRODITE JONES PDF

It was the story that shocked the nation and captured headlines for more than a year. In January 2001, Diane Alexis Whipple bled to death in the hallway of her ritzy Pacific Heights apartment building when she was mauled by two Presa Canarios, a vicious breed of attack dog imported from the Canary Islands. After the lethal attack, animal experts testified that the dogs could not have been stopped, explaining that they had entered a frenzy called the "Red Zone."

Now, New York Times bestselling author Aphrodite Jones shows that the mauling was only one part of a frightening story involving obsession, bestiality, and illegal dog rings. The dogs belonged to Whipple's neighbors, lawyers Marjorie Knoller and Robert Noel, who had been keeping them for a leader of the notorious prison gang the Aryan Brotherhood.

Jones takes us deep into the bizarre world of Paul "Cornfed" Schneider, a Hannibal Lechter-type character who actually owned the dogs, Bane and Hera. She explains how Noel and Knoller, after being warned about these killer dogs, brought them to the heart of San Francisco, leading the dogs eventually to murder an innocent next-door neighbor. Jones also reveals the shocking L.A.-area whereabouts of the offspring of Bane, the dog most directly involved in the mauling.

Jones is a masterful investigator and writer who has interviewed the complete cast of characters -- including Robert Noel and Marjorie Knoller during their imprisonment -- and can now tell the full story of what happened in that apartment hallway. Red Zone is a riveting page-turning account of this news-making story that takes us deep into the relationship between man and animal.

I loved how she got so deep into the WHOLE story

By Nancy W. Flood

Aphrodite Jones outdid herself in this well-researched book. I watched the trial & thought I knew all about it but this book proved I did not. I loved how she got so deep into the WHOLE story. Noel & Knoller are two of the raunchiest people I have ever read about. They are pond scum, period.

6 of 6 people found the following review helpful.

Very well detailed - could not put down!

By Amy Jobe Frahm

Although I find it a bit disconcerting to mark 5 stars for a book that details such horror and trauma that

affected so many people and lives, I could not put it down. The author does an excellent job detailing all events that eventually culminated in the savage attacks that ended an innocent woman's life. I find myself still thinking of portions of this story, finding it incredulous that some dog owners value their dogs more than people. And I also find myself hoping Karma takes care of the sick, sick couple who are featured in the book.

5 of 5 people found the following review helpful.

Glad to see this available for Kindle!

By Garmonbozia

I read this in a used paperback edition which is out of print, so I'm happy to see it's now available for Kindle. A horrifying story very well-told by Aphodite Jones. I hope this book becomes a true crime classic, because it is an excellent read. If you like this, look up this author's other books as well.
