Merely web page by web page depending on the moment that you have to check out The Roman Catholic Church: An Illustrated History By Edward Norman, Jill Barrett

THE ROMAN CATHOLIC CHURCH: AN ILLUSTRATED HISTORY BY EDWARD NORMAN, JILL BARRETT PDF

The history of the Roman Catholic Church is a gateway to understanding two thousand years of Western—and at times world—civilization. Edward Norman's lavishly illustrated, incisive account, sure to become a classic, tells the story of the multifarious ways in which the Church has shaped the lives and beliefs of Christians and non-Christians alike.

It is partly a story of remarkable people, from the greatest theologian of the early Church, St. Augustine, to one of the greatest figures of the modern age, Mother Teresa of Calcutta. It is also a story rich in symbols, not least the awe-inspiring basilica built over the tomb of St. Peter in Rome, the most recognizable church in the world. But the focus of the book is a historical account of epic proportions. Here we discover how Rome became the heart of the Roman Catholic religion and played a role in transforming Western Europe into Christendom. We gain a view of the Crusades undistorted by today's agendas, explore the Counter-Reformation as the fruit of the venerable Catholic reforming tradition, and witness the beginning of a new 500-year history, in which missionaries took their message to Latin America and the East. And, in this boldly uplifting account, we come to see how the Church, reflecting the vision of the Second Vatican Council in 1962, today embodies Christ's own injunction to "teach all nations."

Everything you need to know about the Church

By J. Torres

I bought this book for a college book report and it was excellent. The book looks long but in reality many of the pictures take up much of the space. The pictures themselves are amazing and strictly correspond with the topic the author is in. The author, a college professor, simply gives you a summary about what Christianity is and in the rest of the chapters he talks about the history of the Church itself over time(all of the history).

Interesting book and WILL give you some information about what Roman Catholicism is. Recommended for research over the Church.

Excellent book.

By Virginia Hedgepeth

This book has been a pleasant surprise. Intelligently written and informative. The pictures are beautiful and printed on quality paper.
