From School Library Journal

reS-K-In this charming version of the beloved rhyme, Linch sticks to the traditional tale. The mischievous little kittens still fess up to losing and, later, dirtying their mittens. Of course, they also find and wash them. And their mother still forgives them each time, indulging them with pie. The wording is a little different from other versions, but not enough to change the story. The crayon-and-chalk pictures are playful with folk-style borders and subtle colors and are large enough to be seen at a distance. This version of the ever-popular rhyme makes a great addition to storyhour collections.
