This is why on the internet book [Trial And Triumph: Stories From Church History By Richard M. Hannula](#) becomes most wanted.

TRIAL AND TRIUMPH: STORIES FROM CHURCH HISTORY

BY RICHARD M. HANNULA PDF

Thus says the LORD: Stand in the ways and see, and ask for the old paths, where the good way is, and walk in it; then you will find rest for your souls;(Jer. 6:16). Christianity is a faith in love with history. God took on human flesh and dwelt among us. The Spirit carried that divine work over the centuries, providing courage and maturity even amid our imperfections.

Christians find their true family line not through tribes and ethnic blood but in the bond of faithfulness and shed blood that has united our family for millennia. We too often view Church history as the story of obscure aliens instead of the lives of brothers and sisters, mothers and fathers.

In this collection of forty-six brief biographies for children, Hannula sketches the stirring trials and triumphs of many famous and some lesser known figures in our family of faith—including Augustine, Charlemagne, Anselm, Luther, Bunyan, and C.S. Lewis. Through them we can begin to enjoy the old paths and find rest for our souls.

Brush up on church history

By Heather A. Holland

This is a great way to learn church history through fascinating biographical sketches. It's a children's book, and I have read it aloud to my six- and eight-year-olds, but I enjoyed it for my own reading first. It will make you appreciate your religious freedom in a new way, and inspire you to live a courageous Christian life.

Best principal there will ever be

By Somebody

If you want to read an excellent book about stalwart soldiers for Christ, written by a principled (no pun intended), committed, and passionate Christian, and if you want to be "spurred on toward love and good deeds" by the examples of these amazing and courageous believers, read Trial and Triumph! In his writing, Mr. Hannula makes Augustine, Ambrose, Polycarp, and all the others come alive--just as he makes history exciting and real for the students he teaches in his history classes. Do yourself a favor and read his book.

Well worth the read!

By Gary L French

This book talks about many well known brothers and sisters in the faith (such as David Livingston and John Newton), but it also expands its scope to some less talked about believers who made a courageous stand for their faith (such as believers during the middle ages). I definitely recommend it!
