Understanding Salvation

By texasiguana

I never really read what Salvation's meaning is. I grew up as a Christian, then fallen away and by the Grace of God, have been called back. I knew we needed salvation and was under the impression that once you accepted salvation that something magical was to happen to you and you would be perfect. Little did I know it was only the beginning of a journey.

This book explained to me what someone should have taken the time to sit down with a new Christian and set true expectations - again conversion is new to a new convert and we haven't the slightest idea what expectations are - especially when you are 16 yrs old.

Now much older and wiser and gone through the school of hard knocks, this mini reading encapsulates wisdom. I highly recommend this book to all new Christians, regardless of age and especially those who believe they know the meaning.

The truth will set you free!
