By Penni A. Russo

An insightful, powerful, and positive personal "cheerleader"! This journal allows you to not only write your thoughts, but it contains reading material that inspires you to "think" and "feel" as you write and express yourself. This book/journal isn't just for those who have more serious concerns for themselves, but for everyone and anyone who may have pondered the questions: "Why me?", "Does it really matter what I do or say?", or any other self-doubt. Devote yourself to learning more about yourself- and liking it!¹ of 1 people found the following review helpful.
